“The underlying message of the [Mr. Rogers] Neighborhood is that if somebody cares about you it's possible that you'll care about others.

'You are special, and so is your neighbor' - that part is essential:
that you're not the only special person in the world.
The person you happen to be with at the moment is loved, too." Fred Rogers

We are excited about this year's FUN DAY. The Executive Board has been busy working to create a more fun packed event where you and your neighbors can come together, meet new residents, and share a meal together. Mount Hermon Association has donated part of the food, as well as the staffing for the pool and zipline.

Let's get to know each other by a shared meal and memories. The more connected we are, the safer and more caring our neighborhood will be.

If you have a new neighbor, please personally invite them to the Fun Day. And please let the Executive Board know about them so our Welcome Team can personally deliver a special gift.
